Dear Sir:

This Supplemental Response is filed to submit an Application Data Sheet in lieu of a Substitute Oath or Declaration. The Amendment and Response filed on November 24, 2003 in response to the August 22 Office Action is believed to have been fully responsive to the August 22 Office Action. Therefore, no fees are believed to be due in connection with this response. In the event that fees are due in connection with this response, please debit Deposit Account No. 19-1970.

Enclosed herewith is an Application Data Sheet for the application. This is the first Application Data Sheet to be submitted in connection with this application. An Inventors' Declaration was filed with the application, but it has been noted by the Examiner that Inventor Sim corrected the zip code in her residential address without initialing and dating the change. This Application Data Sheet is believed to be sufficient to correct the error in the residential address in lieu of a Substitute Declaration since the naming of inventors and citizenship remain unchanged. 37 CFR 1.76(d)(1) and MPEP 601.05.

Respectfully submitted,

SHERIDAN ROSS P.C.
